

2nd Grade School Supply List

This list is for the entire year. Some items will be given out as needed. The rest will be stored for use later in the year.

3 one subject "wide-rule" spiral notebooks

3 strong cover folders with pockets

3 packs of at least 180 sheets of wide rule paper

2 pairs of scissors. Students tend to lose them before the end of the year

2 packs glue sticks. Extra donated glue sticks are very much appreciated

1 pack of crayons, markers, or colored pencils. They do not need one of each.

1 big pack of pencils

Please do not allow your child to bring anything else. I will supply all other materials and individual items such as pencil sharpeners, big erasers, and mechanical pencils become distracting and take up too much space in their desks.
